Preface .....	V
Acknowledgements .....	VII
List of acronyms .....	XIII
<b>Overview</b>	
Introduction .....	1
Organization and coverage .....	1
Data providers and primary data documentation .....	2
Summary of the 18 ILO Key Indicators of the Labour Market .....	4
Gender perspective .....	11
The future of KILM .....	12
<b>Chapter 1</b>	
<b>Participation in the world of work</b> .....	15
KILM 1. Labour force participation rate .....	17
<b>Chapter 2</b>	
<b>Employment indicators</b> .....	51
KILM 2. Employment-to-population ratio .....	53
KILM 3. Status in employment .....	73
KILM 4. Employment by sector .....	95
KILM 5. Part-time workers .....	129
KILM 6. Hours of work .....	145
KILM 7. Urban informal sector employment .....	169
<b>Chapter 3</b>	
<b>Unemployment, underemployment and inactivity indicators</b> .....	189
KILM 8. Unemployment .....	191
KILM 9. Youth unemployment .....	231
KILM 10. Long-term unemployment .....	253
KILM 11. Unemployment by educational attainment .....	267
KILM 12. Time-related underemployment .....	285
KILM 13. Inactivity rate .....	301
<b>Chapter 4</b>	
<b>Educational attainment and illiteracy indicator</b> .....	325
KILM 14. Educational attainment and illiteracy .....	327
<b>Chapter 5</b>	
<b>Wage and labour costs indicators</b> .....	365
KILM 15. Real manufacturing wage indices .....	369
KILM 16. Hourly compensation costs .....	421
<b>Chapter 6</b>	
<b>Labour productivity and unit labour costs indicator</b> .....	439
KILM 17. Labour productivity and unit labour costs .....	441
<b>Chapter 7</b>	
<b>Poverty and income distribution indicator</b> .....	473
KILM 18. Poverty and income distribution .....	475
<b>Chapter 8</b>	
<b>Labour market dynamics</b> .....	491
Preliminary remarks .....	491
I. Data describing labour market dynamics: An international survey .....	493
II. Data on labour market dynamics from labour force surveys .....	505

**Appendices**

A.	Background indicators	517
B.	International Classification by Status in Employment (ICSE-1993)	581
C.	International Standard Industrial Classification of all Economic Activities (ISIC - Rev.2, 1968, and Rev. 3, 1990)	583
D.	International Standard Classification of Education (ISCED)	587
E.	Availability of KILM data	589
F.	Glossary of organizations	597

**List of tables**

1.	Labour force participation rate	29
2.	Employment-to-population ratio	59
3.	Status in employment	81
4.	Employment by sector	103
5.	Part-time workers	137
6a.	Number of persons working less than 10 hours or more than 40 hours a week as a percentage of total employment	153
6b.	Annual hours worked per person	161
7.	Urban informal sector employment	177
8a.	Unemployment	199
8b.	ILO-comparable unemployment rates	219
9.	Youth unemployment	237
10.	Long-term unemployment (unemployed a year or longer)	259
11.	Unemployment by level of educational attainment	273
12.	Time-related underemployment	293
13.	Inactivity rate of the age group 25 to 54 years	307
14a.	Labour force aged 15 years and over by level of educational attainment	335
14b.	Population aged 25 years and over by level of educational attainment	343
14c.	Labour force aged 25 to 29 years with completed tertiary education	349
14d.	Population aged 25 to 29 years with completed tertiary education	353
14e.	Adult illiteracy rates	357
15a.	Real manufacturing wage indices (ILO series)	383
15b.	Real manufacturing wage indices (UNIDO series)	405
16a.	Hourly compensation costs of production workers in manufacturing	431
16b.	Annual percentage change in hourly compensation costs in US dollars for production workers in manufacturing	437
17a.	Labour productivity and unit labour costs, total economy	449
17b.	Labour productivity and unit labour costs, manufacturing	463
18a.	Poverty and income distribution	483
18b.	Poverty in developed (industrialized) countries	489

**Chapter 8**

A.	Number and origin of database entries per country	496
B.	Gross changes in labour force status	506
C.	True flows	509
D.	Response error rates by state	509
E.	Observed flows	510

**Appendix tables**

A1.	Macroeconomic, social and human development - background indicators	521
A2.	Population and education - background indicators	548
A3.	Social security programmes by type - background indicators	577
E1.	Availability of KILM data, worldwide and by regional and subregional grouping	590
E2.	Availability of KILM data, by country and latest year	591

**List of boxes***Overview*

	The United Nations Minimum National Social Data Set	5
	The International Conference of Labour Statisticians	7
	The KILM CD-ROM	13
1a.	Resolution concerning statistics of the economically active population, employment, unemployment and underemployment, adopted by the 13th International Conference of Labour Statisticians, October 1982	24
6a.	Resolution concerning statistics of hours of work, adopted by the 10th International Conference of Labour Statisticians, October 1962	151
7a.	Resolution concerning statistics of employment in the informal sector, adopted by the 15th International Conference of Labour Statisticians, January 1993	172

12a.	Resolution concerning the measurement of underemployment and inadequate employment situations, adopted by the 16th International Conference of Labour Statisticians, October 1998	290
15a.	Resolution concerning an integrated system of wages statistics, adopted by the 12th International Conference of Labour Statisticians, October 1973	377
15b.	Resolution concerning consumer price indices, adopted by the 14th International Conference of Labour Statisticians, October-November 1987	378
16a.	Resolution concerning statistics of labour cost, adopted by the 11th International Conference of Labour Statisticians, October 1966	422

#### Chapter 8

A.	Statements using data describing labour market dynamics	494
B.	Classification of sources and methods for data describing labour market dynamics	495
C.	Classification of types of labour market dynamics analysis	495

#### List of figures

1a.	Labour force participation rates of persons aged 15 years and over, latest year	19
1b.	Labour force participation rates of males aged 15 years and over, latest year	20
1c.	Labour force participation rates of females aged 15 years and over, latest year	21
1d.	Labour force participation rates of males aged 15 years and over, and GDP per capita at purchasing power parity, 1990	22
1e.	Labour force participation rates of females aged 15 years and over, and GDP per capita at purchasing power parity, 1990	22
1f.	Typical regional labour force participation across age groups, males	23
1g.	Typical regional labour force participation across age groups, females	23
2a.	Employment-to-population ratios, latest year	54
2b.	Employment-to-population ratios, 1990-97	55
2c.	Employment-to-population ratios, males, 1990-97	56
2d.	Employment-to-population ratios, females, 1990-97	56
3a.	Relationship between per capita GDP and percentage of wage and salaried workers, 1993	75
3b.	Changing share of employment by status	76
4a.	Percentage point change in agricultural employment, earliest to latest year	96
4b.	Percentage point change in industrial employment, earliest to latest year	97
4c.	Percentage point change in employment in services, earliest to latest year	98
4d.	Proportion of male and female workers in industry, latest year	99
4e.	Proportion of male and female workers in the services sector, latest year	100
4f.	Proportion of male and female workers in agriculture, latest year	101
5a.	Incidence of part-time employment in 43 countries, 1996	130
5b.	Female share of part-time employment, 1996	132
5c.	Male and female incidence of part-time employment in 43 countries, 1996	133
5d.	Female part-time employment to total employment ratios and labour force participation rates in selected developed (industrialized) countries, latest year	134
5e.	Female part-time employment to total employment ratios and labour force participation rates in selected transition economies, Asian, and Latin American and Caribbean countries, latest years	135
6a.	Percentage of males and females usually working less than 10 hours per week, 1996	147
6b.	Percentage of males and females usually working more than 40 hours per week, 1996	148
6c.	Annual hours worked per person, latest year	149
7a.	Informal sector employment as a percentage of urban employment, latest year	171
8a.	Unemployment trends in selected countries, 1990-97	193
8b.	Unemployment rates, latest year	194
8c.	Unemployment rates, males, latest year	196
8d.	Unemployment rates, females, latest year	197
9a.	Youth unemployment rates, latest year	233
9b.	Youth unemployment rates, males, latest year	234
9c.	Youth unemployment rates, females, latest year	235
10a.	Incidence of long-term unemployment (more than 40 per cent)	254
10b.	Incidence of long-term unemployment (less than 20 per cent)	255
10c.	Long-term unemployment rates, latest year	255
11a.	Share of the total unemployed with primary education (levels 1 and 2), 1996	268
11b.	Share of the total unemployed with tertiary education (levels 5, 6 and 7), 1996	269
11c.	Shares of the total unemployed labour force by educational attainment, selected countries, 1996	269
11d.	Unemployment rates of the low-education group (levels 1 and 2) and the high-education group (levels 5, 6 and 7), 1996	270
12a.	Time-related underemployment rate and unemployment rate, males, latest year	286
12b.	Time-related underemployment rate and unemployment rate, females, latest year	287

12c.	Time-related underemployment rate and unemployment rate, latest year .....	288
13a.	Recent inactivity rates for the population aged 25 to 54 years, selected countries .....	303
13b.	Inactivity rates, latest year .....	304
13c.	Inactivity rates, males, latest year .....	305
13d.	Inactivity rates, females, latest year .....	305
14a.	Illiteracy rates in selected countries, 1991 .....	329
14b.	Population with completed tertiary education, selected countries, 1991 .....	330
14c.	Illiteracy rates in Asia, selected countries, 1981-95 .....	331
14d.	Distribution of the labour force by ISCED levels of educational attainment, various economies .....	332
15a.	Real manufacturing wage trends (ILO series), 1980 and 1990-97, selected developed (industrialized) countries .....	372
15b.	Real manufacturing wage trends (ILO series), 1980 and 1990-97, selected transition countries .....	372
15c.	Real manufacturing wage trends (ILO series), 1980 and 1990-97, selected economies in eastern Asia .....	373
15d.	Real manufacturing wage trends (ILO series), 1980 and 1990-97, selected countries in Latin America .....	374
15e.	Real manufacturing wage trends (ILO series) in Ireland, the Republic of Korea and Singapore, 1980 and 1990-97 .....	375
16a.	Hourly compensation costs in US dollars, selected economies, 1980 and 1990-97 .....	424
16b.	Indices of hourly compensation costs (US = 100), 1997 .....	425
16c.	Hourly compensation costs in US dollars, latest year .....	426
16d.	Proportion of non-wage costs to total compensation costs, 1980 and 1997 .....	427
17a.	Labour productivity and unit labour cost growth, total economy and manufacturing sector .....	443
17b.	GDP per person employed, 1980 and 1990-97 (1990 US dollars) .....	444
18a.	Population below the US\$1 a day international poverty line and the Gini index .....	477
18b.	Population below the US\$2 a day international poverty line and the Gini index .....	477
18c.	GDP per capita at purchasing power parity and the Gini index .....	478
18d.	Gini index, latest year in the 1990s .....	480
 <i>Chapter 8</i>		
A.	Number of countries recorded for each source/method .....	498
B.	Number of countries recorded for each analysis type .....	499
C.	Gross flows between four labour market states .....	502
D.	Measurement of hirings and separations in quarterly surveys .....	512
