

Table of Contents

1.	Background and Introduction	
1.1	Introduction to the National Employment Management Information System (NEMIS) and the Early Warning System (EWS)	1
1.2	National-level Macroeconomic Quantitative Analysis	2
1.3	Formal Sector Business Expectations	3
1.4	Informal Sector Community Unemployment Register	3
1.5	The Linkages between the NEMIS and the EWS	3
2.	The National Employment Management Information System (NEMIS)	
2.1	The Background and Need for NEMIS	1
2.1.1	The Economic Crisis and Demands for Competitiveness	1
2.1.2	Problems with Current Data Framework	2
2.1.3	Labor Information Systems: The Present State of Play	3
2.2	The Main Characteristics and Philosophy of NEMIS	4
2.2.1	NEMIS in an Explicit Macroeconomic Context	4
2.2.2	Enhancing Labor Market Flexibility and Responsiveness	6
2.2.3	Government Facilitating Interfaces between the Public and Private Sectors	7
2.2.4	Enhanced Focus on Labor Market and Employment Issues	7
2.2.5	The Two Critical Areas of Weakness	7
2.3	The Main Objectives of NEMIS	7
2.4	A Proposed Structure and the Key Players	8
2.4.1	The Players	8
2.4.2	A Proposed Structure	9
2.5	The Major Program Elements and Networks of NEMIS Operations	11
2.6	Critical Issues and Next Steps	12
2.6.1	Some Critical Operating and Data Issues	12
2.6.2	Remaining Issues and Next Steps	13
3.	Structure of the EWS Quarterly Report	
3.1	The Impact of the Crisis on Unemployment	1
3.2	National Unemployment Indicators	1
3.3	Formal Sector Focus	2
3.4	Regional Unemployment	3
3.5	Conclusion	5
4.	National-level Macroeconomic Quantitative Analysis	
4.1	Introduction	1
4.2	Theoretical Framework and Methodology	2
4.3	Overall Employment and Macro Economic Conditions	3
4.4	Sectoral Employment Analysis	9
4.5	Labor Force	12
4.6	Unemployment	14

5.	Formal Sector Business Expectations	
5.1	Introduction	1
5.2	Constraints on Accessing to Good Business Data	1
5.3	Business Survey	1
	5.3.1 Background	1
	5.3.2 The EWS Database	2
	5.3.3 Overview of the Economic Situation	3
	5.3.4 Business Situation by Sector	3
5.4	Conclusions/Recommendations	10
5.5	Policy Implications	10
6.	Regional Focus: Community Unemployment Register (CUR)	
6.1	Background	1
6.2	Towards a Community Unemployment Census (CUC)	2
6.3	Field Trip and Pilot Survey of the Community Unemployment Census in the Northeast	5
6.4	Debriefing Session on Pilot Survey, 11 September 1998, Charoen Thani Princess Hotel, Khon Kaen	7
6.5	Training for the Trainers to Conduct the Survey on Community Unemployment Register (CUR)	9
6.6	Structure of the Community Unemployment Register (CUR) Output	10
6.7	Preliminary Results from the Community Unemployment Register (CUR)	10
